

THE GLEICHEN CALL

VOLUME XXXIII NO. 38

GLEICHEN, ALBERTA, WEDNESDAY DECEMBER 4, 1940

SUBSCRIPTION \$2.00 PER YEAR

LIST OF DONATIONS TO RED CROSS MOUNTING RAPIDLY

The campaign for Red Cross funds is on its last week so if there is anyone whom was missed that would like to make a donation they can do so by calling at the Queen Hotel.

In last week's canvasses Mrs. R. Umbrie did very commendable work in the country and Miss Myrtle Kehler and Miss Jean McEwen were the canvassers for the residence section of the town and are complimented on their work.

Don't forget this is the last week so let us see the fund go over the \$400 mark.

THE WORLD OF WHEAT

Many farmers have noticed a black spot, or smudge, on their wheat kernels, and they are wondering whether it is safe to use such grain for seed.

This problem has been worrying the Canadian Seed Growers Association and plant pathologists ever since 1925, when grain was badly affected by the same trouble. The black spot is caused by one of several fungus diseases, most probably the one which is known as the name of Helminthosporium sativum.

Plant pathologists tell us that this disease may or may not carry over from the affected seed into the next crop, but that if it does carry over, then the next crop might be severely damaged. It is found, however, that the disease sometimes partially or completely controls this disease.

It is recommended, therefore, that farmers should treat a good sample of all the grain they expect to use for seed with either Lysol or Abol, and then should also treat all the seed of this treated grain at the Dominion Seed Laboratory at Calgary, for a germination test. If the germination is found to be less than 75 per cent, my own advice would be the grain should not be used to sow crop, but that disease-free seed should be procured.

OTTAWA LETTER

BY DR. F. W. GERSHAW

Several cabinet ministers reviewed the war work of their respective departments.

One of the striking records was that of Mr. Macdonald, Minister of

CURLERS ELECT SLATE OF OFFICERS FOR SEASON

The Curling Club held a meeting in the town office recently and organized for the season.

The election of officers resulted as follows: President—Bob Brown, Vice President—Van Macdonald, Secretary—Jack Webb, Treasurer—T. C. Brown, Chaplain—E. W. Upton.

The executive will consist of Rev. R. Upton, R. C. Clifford, Pete Deshayes and Charles Blackie.

Rev. Brown, Pete Deshayes and Van Macdonald were appointed ice committee.

The draw committee will consist of Bert Reid and Jack Webb.

Ten skips were elected as a membership committee and each one is to get out and hustle four curlers for himself and in this way set the club on its feet with ten rinks.

The curling foot will remain the same as a year ago: Men in town 87; men in country \$3.50; students \$3.50 and ladies \$3.

The season will be inaugurated with a club bonspiel as soon as the ice is ready.

Intelligence for Naval Affairs, was the war started, the number of men on active service in the Canadian Navy was 1774. Now the total is 15,273. These men are engaged in convoy work, patrolling our own coast, and in co-operation with the British Navy in European and other waters.

Canada has 50,000 soldiers on British soil and not a single troop ship has been lost at sea as the result of enemy action. Last week 77 ships in convoy reached British ports and in that same week, only 5 can-voys ships were lost.

Canadian soldiers have won many distinguished honors for bravery, and have worked along with the men of Royal Navy on equal terms in every way. The First Lord of the Admiralty, speaking over the BBC network, said: "We have received invaluable help from the dominions, especially from Canada."

Starting with 16 ships the Canadian Navy has now increased to 165, and by the end of the next fiscal year the strength will be increased by another hundred ship and 10,000 men.

"We took up arms with great reluctance," he said, "and we shall not lay them down until honor walks the earth. Until then we want the democracies are safe from the menace of Nazi attack and Nazism."

The Minister of Finance explained that the war would be financed by extremely heavy taxation and by war loans. Expansion of credit came from the dominions after production and employment reach their limits. He said: "Today there is heroism in the air, on the sea, and in the deserts of Africa. There is heroism among the common people of the Motherland. Let their example be our inspiration to assume our responsibilities with the same unselfish courage and determination."

Mr. Howe told of the thousands of Canadian plants that were busy with war supplies and equipment. He said he would give full particulars of every transaction. A number of irregularities had been called to his attention and all had been investigated and found to be without foundation. He was most devious of being informed of anything that even had the appearance of being irregular.

OLD TIMERS' BANQUET AND DANCE VERY WELL ATTENDED

Another Old Timers' banquet and dance is a thing of the past. As usual there was a good turn out of folk of all ages to both events. Practically every seat was taken at the banquet.

Mr. Stenmister acted as toast master and the guest speakers were Mr. Joseph Shaw and Don McKinnon M.L.A.

The two gentlemen mentioned above took the place of Harold Riley and Briz Harvey, V.C., who were unable to be present. Songs and community singing comprised the musical part of the program.

Judging by the comments after the banquet Mr. Shaw proved a most interesting speaker.

The dance proved to be as enjoyable affair as in the past and a large number stayed until the last dance was called. Art Brommer's orchestra which has played at every old timers' dance since it started, was as usual up to its high standard.

Obituary Mrs. Clara M. Wilson Death removed another resident of Gleichen district on Tuesday, Dec. 3rd, in the person of Mrs. Clara M. Wilson, beloved wife of Thomas Wilson.

Mrs. Wilson was born at Bruce County, Ontario, May 18th, 1886, married on May 1st, 1906, to Thomas Wilson, who was by her husband and family 20 years ago, and had resided in Gleichen district until her death.

A kind and devoted mother, Mrs. Wilson was a highly respected citizen of the district, a member of the Methodist Church, and a member of the Gleichen branch of the United Church of Canada.

The late Mrs. Wilson is survived by her husband, three sons, William, John and Leslie; one daughter, Mrs. J. G. Watson, three sisters, Mrs. Mary Reid, and Mrs. K. Stewart of Mount Forest, Ont., Mrs. Carmichael of Ayr, Ont., and Mrs. W. W. W. of Danforth, Ont.

Funeral services will be held from the family residence three and a half miles north of Gleichen, Thursday at 1 p.m. Interment in Gleichen cemetery.

William Grave Mrs. W. Grave passed away Monday at the age of 79 years. Mrs. Grave was born in Great Bedford, Essex, Eng. in 1861 and came to Canada in the year 1911, settling in Quebec. A year later she came to Gleichen. In 1922 his wife died at New Westminster, B. C. Returning to Gleichen after the demise of his wife deceased has resided here since that time.

Mr. Grave is survived by three daughters, Mrs. W. Varnell of Gleichen; Mrs. B. Barnes of Vancouver; Mrs. B. Allist of the State of Washington, one son, William of Hardisty, Alberta. The funeral will take place Thursday afternoon. Services being conducted at St. Andrew's Church at 2:30 p.m. Interment will take place in the Interment will take place in the Interment cemetery.

Mr. and Mrs. Jas. Black and daughter Jean, of Taber, spent the weekend in town the guests of Dr. and Mrs. McIntyre.

For 357 male jobs available in five Alberta cities during the third week in November there were 739 applications. The figures were released by the Alberta Employment Service. A total of 286 applications were made for the 188 vacancies open to women. At Edmonton 104 women sought 61 vacancies but in Medicine Hat only five women applied for the 12 positions available.

More Alberta hog has been marketed to date this year than in the whole of any previous year. It was stated in a recent report from the provincial department of agriculture. Previous record for any whole year was in 1938 when Alberta farmers sold 1,039,000 hogs. For 46 weeks ending November 14, the sales amounted to 1,043,388 hogs.

REPORT ANNUAL MEETING CLUNY RED CROSS SOCIETY

The annual meeting of the Cluny Red Cross was held in Herman's Hall on Wednesday evening, Nov. 27th, although the attendance was very disappointing the reports from the various committees were very satisfactory.

The secretary's report for the year ended showed \$475.36 received by public subscription, dances etc., plus a donation from the Blackfoot Indians of \$113.33 for supplies.

Expenditures for the year were \$390.70, \$200.00 of that amount was sent to Red Cross headquarters in Calgary, balance being spent on supplies, etc., with \$93.00 balance in the bank.

Two large shipments of finished articles, also a box of clothing and five quilts for refugees have been sent in from this branch and we have on hand three finished quilts which are to be shipped shortly.

Six boys have enlisted in various parts of the service from the Cluny district and to these, the Cluny Red Cross gave a sweater and a pair of socks to each, receiving grateful thanks for same.

Our campaign for funds for this fall has just got nicely started, owing to the fact that there is still a great deal of unthreshed grain in this district. But we hope to better our last year's results.

Election of officers resulted in the full slate being returned and offering our very capable president, Mr. G. Beattie at the helm and with Mrs. Beattie as her work convenor.

There is one thing we would like to impress on our friends of the Cluny district. It is not enough just to donate, we need workers and need them badly.

We are opening up new Red Cross rooms in the building near the school to Cluny by the school board and there is plenty of sewing and wool on hand. Please do your bit. Come and get some work to take home with you. Any advice or help needed will be freely given by Mrs. Beattie or one of her committees.

Mrs. D. Clark, Secy. Treas.

Canadians Must Have Permit to Visit United States Canada is urgently in need of aeroplanes, aeroplane engines and parts and other vital war requirements. Most of such materials must be purchased in the United States and must be paid for in cash. To secure these, of his wife deceased has resided here since that time.

Mr. Grave is survived by three daughters, Mrs. W. Varnell of Gleichen; Mrs. B. Barnes of Vancouver; Mrs. B. Allist of the State of Washington, one son, William of Hardisty, Alberta. The funeral will take place Thursday afternoon. Services being conducted at St. Andrew's Church at 2:30 p.m. Interment will take place in the Interment cemetery.

LOCAL NEWS ITEMS OF THE TOWN AND DISTRICT

There were very few old timers at the banquet and dance Friday. Just why there were so few is not known.

Mrs. W. Boos had her wrist broken when struck by a car in Calgary last week.

Major J. J. Sutherland of the Salvation Army, returned from Toronto last week where he attended Social Conference. The meeting lasted four days.

The British and Foreign Bible Society collections this year for Gleichen district were \$62.45. This amount has been forwarded to the Bible House in Calgary. Rev. Mr. Lytle, secretary of the South Alberta Auxiliary will be in Gleichen next Sunday and will speak at the United Church evening service on the work of the Bible Society in war time.

When selling turkeys to dealers whose reputation is unknown, it is advisable to determine their financial position. On several occasions much difficulty has been experienced in obtaining payment. Alberta dealers must have Provincial Poultry license, but when shipments are going out of the province, they should also be consigned only to reputable buyers.

LOST—On highway, a grey slipper bag containing baby clothes. Finder please leave at Call office.

Annual United Church W. A. Bazaar, Tea and Home Cooking sale is to be held in the new Red Cross room (next door to Bank of Commerce) Saturday, December 7, from 3 to 6 p.m.

COMING EVENTS

Dec. 20—Annual Xmas. party at Meadowbrook Hall.

RED CROSS NOTES

(By Convent Mrs. S. E. Dufos)

This week the local branch has shipped seven quilts, 36 articles of refugee clothing, and 72 knitted comforts for soldiers, I.e., socks, scarves, mitts, scarves, helmets and summer stockings. This brings our total to 3,420 articles shipped to date.

There is a quantity of hospital work room is open every Monday afternoon and visitors are always welcome. If you can take home a little sewing to do it will be much appreciated.

Mr. Ramsay donated a 10 lb. fruit cake, on which raffle tickets were sold, the draw being made Friday night at the Old Timers dance. Rod Leggat of Calgary was the lucky winner. The handsome sum of \$35.25 was realized for the Red Cross. This was a splendid gift and we say "Thank you Mr. Ramsay."

THE WEEK IN EDMONTON

Alberta's new quota for war savings has been set at \$600,000 monthly. W. H. Somerville chairman of the national committee said recently. New objective for the Dominion has been set at \$10,000,000 per month. "Canadians must save and save regularly so that our factories and workers may be free to concentrate on production of tanks, shells and airplanes," said Mr. Somerville.

Plan for a mass union of Albertans in appeals made to the government from time to time were formulated at the recent convention of the Alberta section of the United Farmers of Canada, meeting in Edmonton. Delegates from more than 100 locals were present. C. O. McGowan, Harry Hill was named president of the organization for the coming year while W. G. Logan of Edmonton was elected first vice-president and E. McMillan of Harry Hill second vice-president.

Work on extension of air training facilities in Edmonton to three times their present size will begin almost immediately, according to Flight Lieut. K. E. King, chief supervisory officer at the school. He said the first class of young trainees to be trained as pilots for fighters as bombers will arrive early in December.

Recruits for the Royal Canadian Mounted Police are still being sought. It has been announced by the Edmonton headquarters. Incidentally reported that applicants must be of British racial origin. It was explained they must be British subjects. Recruits must be single, between the ages of 18 and 30 years, five feet eight inches tall or over, and must be physically sound, and of good character.

SEEDTIME AND HARVEST

By Dr. K. W. Neely
Director, Agricultural Department
North-West Live Elevator Association

GERMINATION TESTS

Farmers in the prairie provinces will be interested to learn that this germination tests have decided to offer a free service in order that the seed may be thoroughly reliable. Modern thermostatically controlled germinators are being installed. The equipment has been designed in consultation with officials of the Department of Agriculture. Reports on samples submitted for testing will include remarks on the presence of weed seeds and general "soundness." Samples of seed should be taken to the nearest country elevator belonging to any of the live elevator companies associated with the work of this department. These reports are based on most of the publications issued from this office.

Sufficient material will be provided by 3-ounce samples, but these must be dated by the earliest possible date. It is necessary that our laboratory be in full operation by January 1st in order to avoid congestion in March.

In addition to the germination tests, we shall be glad to make growth tests and to report on the purity and suitability of the variety for the seed. It is desired in addition to germination, it is only necessary to inform the local grain buyer.

THIS MAY SOLVE WEAT PROBLEM

A series of momentous discoveries have recently been made in Great Britain, and because of it all attention has just been taken by the British government which may in time completely solve Canada's and the world's surplus wheat problem. The discoveries are that the so-called famous vitamin B₁, sometimes known as thiamin or aneurin, controls to a great extent the health, the energy and the well being of people, that this vitamin can be

produced artificially at a low cost; and more importantly still that it can easily be added to wheat flour, so making bread almost a complete food in itself.

The British government will require by law that all flour manufactured after the spring of 1941 shall contain the necessary amount of vitamin B₁.

It is expected that this fortifying of flour will eventually spread to all wheat using countries, and that it will result in an additional consumption of this more nutritious and even more palatable bread.

It has been calculated that if every person in the world now using bread made from wheat would consume as little as one extra slice a day, then the entire world's wheat surplus would quickly disappear, and wheat shortage would have to be forgotten.

Printed Stationery

The printed way! Neatly printed stationery—bills, heads, statements, invoices, shipping tags, time-sheets, envelopes, letterheads, memorandum sheets, etc., etc. All of these and many other ideas can be used to advantage in most business, probably in yours!

Think it over!
Come in and see our samples, ask us about it! We are at your service.

The cost is small compared to the returns direct and indirect. Delay no longer.
